PREFACE.

In presenting this, the first Brand Book published in the Canadian Northwest, we beg leave to state that great pains have been taken in its preparation.

Question sheets were sent to all asking for their Brands; we also procured a copy of the Recorded Brands, and Mr. L. G. Henderson made a thorough personal canvas through the Stock Districts.

Notwithstanding all this care some errors are liable to occur, and constant changes of ownership of Brands are taking place, and new Brands are constantly coming into force.

The publisher will be glad to have all errors and changes promptly reported to him, in order that our next edition may be as correct as possible.

We take this opportunity of thanking our many friends for their hospitality and liberal patronage, and hope that this book will prove of great value to, and meet the entire appropriation of, the ranchers of the Canadian Northwest, and be of service to the public generally.

AN ORDINANCE TO AMEND AND CONSOLIDATE AS AMENDED, "THE MARKING OF STOCK ORDINANCE, 1884."

[Passed 19th November, 1887.]

Be it enacted by the Lieutenant-Governor of the North-West Territories, in Council, as follows :—

1. In this Ordinance the word "brand" shall mean brand or mark or vent brand, and the word "stock" shall include any horse, mule, ass, swine, sheep or goat, as well as any neat cattle or animal of the bovine species.

2. The Lieutenant-Governor may, whenever he thinks it desirable that the provisions of this Ordinance should apply to any part of the North-West Territories, set apart by proclamation any portion thereof, to form and be known as a stock-district, and designated by a number, commencing with "one" and so on, as different districts are so set apart.

3. The Lieutenant-Governor shall name a person who shall be recorder of brands for the District so formed, whose office shall be kept at a place to be designated by the Lieutenant-Governor.

4. The Lieutenant-Governor shall name two suitable persons, who, together with the recorder, shall form a Brand Committee for the District.

5. The Brand Committee shall meet at the office of the Recorder of Brands at least once in every month to consider applications for recorded brands according to priority of application to the recorded, and shall designate the particular brand to be used by any applicant, and define the place and position it shall occupy on the animal, consulting always the choice or convenience of applicants, so far as may be, without interfering with previously recorded brands.

6. The recorder shall keep a record of all brands with a fac-simile of the same, the name and residence of the person owning the same, in a book suitable for that purpose (which book shall be paid for by the Lieutenant-Governor out of the General Revenue of the North-West Territories, and shall be the property of the North-West Government, and shall be free to the inspection of all persons interested :) and shall furnish to any person, on application, a certified copy of any brand so recorded, which certificate shall be deemed evidence in law.

7. Any person using a like brand in the position or place recorded by another, or obliterating, altering or defacing the recorded brand of any other person, shall be liable on conviction in a summary manner, before a Justice of the Peace, to a fine of not more than one hundred dollars, and in default of payment of such fine, to imprisonment, not exceeding forty days for each offence.

8. It shall be the duty of every person who sells stock to another party to brand such stock with a vent brand, which vent brand shall not in any case be placed in such a position as to obliterate or efface the original brand, and where any such vent brand shall have been branded as above, it shall be *prima facie* evidence of sale or transfer.

9. Every person recording a brand shall also at the same time record and register his vent brand.

10. If any person hereafter shall brand or cause to be branded any stock the property of another person, without that other person's consent, he shall pay the owner of the same three times the value of the animal so branded, and any such owner may sue for and recover the same in any Court of competent jurisdiction.

11. The owner of any recorded brand may, by writing, transfer the same to any person, who may record the transfer for and the transferee shall have thereafter all the rights of the person who first recorded it.

12. The presence of a recorded brand on any animal

shall be *prima facie* evidence of the ownership of such owner of such brand.

13. The following fees shall be payable to the recorder: for recording each brand, two dollars; for each certified copy of every recorded brand, fifty cents; for every search of brand, twenty-five cents.

14 The Recorder shall, on the first day of the month of January and July in each year, make a return to the Lieutenant-Governor, verified on oath before a Judge of the Supreme Court, showing the emoluments of his office during the six months next preceding.

15. All brands or marks recorded by Charles E. D. Wood, acting as Recorder of Marks for Stock District No. 1, are hereby ratified and confirmed as properly recorded under Ordinance No. 14 of 1884.
